

Dear Restaurant Owner/Manager,

Please support CARE to DINE 2017, the dine-out fund-raising event on Thursday, October 26, 2017 to support The CARE Center at Dignity Health St. Mary Medical Center in downtown Long Beach.

We invite local bars and restaurants to donate 20% or more of their total proceeds (\$250 minimum) to support the special care of HIV patients.

Participating restaurants are featured in promotional materials before and after the event. We recruit and assign dinner hosts who invite their friends to join them for a dinner and opportunity drawings to support the CARE Center. This year, we are challenging our host to use social media to spread the word and increase donations for our healthcare mission. We are giving awards for Best Host, Most Generous Restaurant, Best Combined Host and Restaurant, and Best Social Media Crowdrise Fundraiser.

The CARE Center supports people living with HIV and others directly impacted by the virus. CARE provides medical care, behavioral health services, food and nutrition, supportive services, oral healthcare, and prevention education to reduce the impact of HIV within Long Beach and beyond. CARE's model of comprehensive services was one of the first of its kind and continues to serve as many as 1,600 people every year – regardless of their ability to pay – and has touched countless more in its 30 years of service.

Restaurants/Café Agreement – 2017

Yes, we agree to participate in the “CARE to Dine” event on Thursday, October 26, 2017. We will donate (please check one): 20% 30% 40% 50% of our total sales (with a minimum donation of \$250). In exchange we will receive the following:
